The Human Services Campus, Inc. is a 501c3 non-profit that uses the power of  
collaboration to end homelessness for individuals every day.

We work with over 16 partner organizations on a 13-acre campus in Downtown Phoenix to  
deliver essential services such as showers and clothing, hot meals, shelter, case  
management and housing navigation, dental and health care, mental health and behavior  
health services, legal services, and much more for adults experiencing homelessness in  
Maricopa County.
